

# INVICTUS 25

JET MEMBERSHIP, MADE SIMPLE

## Welcome to your INVICTUS 25 Partnership

With guaranteed availability, our refundable fixed-rate partnership gives you comfort of knowing you'll have an aircraft every time you need it at a price you can count on. We guarantee that no surcharges will be added to the cost of flights on the busiest travel days of the year which allows you to accurately budget for your private aviation expenditures without worrying about the charter market volatility.

Clients fly with us again and again, which allows our team to learn your preferences, deliver a consistent experience, and find creative ways to impress passengers.

Looking forward to hearing from you soon,

Gabriel Madrid  
Founder and CEO

The INVICTUS 25 Partnership  
- a unique and highly exclusive  
25 - hour program that  
transcends traditional jet cards,  
fractional ownership, and  
memberships, redefining luxury  
air travel.

The INVICTUS 25 PARTNERSHIP, Jet Luxe's flagship offering, for those who fly 25 hours or more per year, with transparent pricing and no long-term commitment—ensuring you can fly on your terms, with access to a diverse fleet whenever you need it.

INVICTUS 25 eliminates the high, fixed expenses related to aircraft ownership and the inconvenience and hidden costs associated with traditional charters. With INVICTUS 25, partners have access to a closed, private fleet and regulated partner fleet with guaranteed availability anywhere around the world.

# LITE

Opportunity to experience the benefits of a jet card membership with minimal risk, serving as a gateway to a premium travel experience that can scale with their business needs.

Perfect package for the short haul flights. Fly as low as \$6,750/ Hour on our Light - Super Light Jets.

Benefit from preferred pricing on empty legs, complimentary ground transportation after 5 hours, and receive 1 free hour for every 10 hours flown.

## PLATINUM

Tailored to Frequent fliers who expect a high level of luxury, privacy, and personalised service in their travels. Also, seek exclusivity and convenience of guaranteed aircraft availability, even on peak days.

Our heavy jets starting from \$12,500/ Hour are designed to accommodate up to 19 passengers, ensuring that you and your guests can enjoy a private and exclusive travel experience.

Enjoy 365 days of guaranteed availability, complimentary ground transportation, access to our loyalty program, and exclusive use of the Jet Luxe tech platform.

# CORPORATE

Exclusively tailored to meet the needs of businesses requiring flexible, yet structured, travel solutions including concierge and ground transportation services.

Midsize jets, perfect for business trips priced at \$9,750/hour, offer executives a comfortable and efficient way to reach distant meetings. Their balanced operational costs make them a preferred option for companies seeking the advantages of private travel without the high expenses of larger, long-range jets.

Upgrade your aircraft at fixed rates, enjoy complimentary ground transportation, and indulge in VIP onboard catering to enhance your corporate travel experience.

## No Compromise

To ensure that you fly comfortably and safely around the world, Jet Luxe depends on the research and evaluation of each and every operator, aircraft, pilot and crew through IS-BAO & ARGUS. The International Standard for Business Aircraft Operations (IS-BAO) was established by the International Business Aviation Council (IBAC) and its member associations, as a recommended code of best practices designed to help flight departments worldwide achieve high levels of safety and professionalism.

The ARGUS Platinum rating is the highest safety rating awarded by ARGUS for business aviation operators. It is awarded only to those air carrier operators who have successfully implemented industry best safety practices related to all aspects of the operation. We also have been awarded Forbes Travel Guide's Star Rating standards reflect the highest levels of service and facility measurement in the industry worldwide. Our anonymous professional inspectors evaluate based on up to 900 objective standards.
